The heinous cold blooded murder of the Fogel family in Itamar. The brutal murder of Ben Yosef Livnat the Nephew of Minister Limor Livnat by PLO "Policemen" at the tomb of Joseph. The 8 murdered students from the Mercuz Harav Yeshiva who represented the best and brightest of the Jewish People who were gunned down in cold blood. Incredulously, 84 percent of the Arabs of Israel supported committing this heinous Genocide. The 63rd Anniversary of the Establishment of the State of Israel • The 44th Anniversary of the Miracle of the Six Day War and the Reunification of Jerusalem • Jerusalem's Integrity and Unity are the Heart and Soul of the Jewish People never to be tampered with or negotiated • The 33rd Anniversary of the establishment of the Jerusalem Reclamation Project / Ateret Cohanim • The heroic front line families and communities of Greater Jerusalem including the Old City of Jerusalem, Abu Dis, Yemenite Village and Kfar Ha Shiloach-Silwan • The heroic pioneer families and communities of Yehuda, Shomron, the Jordan Valley and the Golan Heights • The heroic and brave families of Sderot who have withstood over 12,000 rockets and missiles over the past ten years - No other nation in the world would tolerate this for more than one day, let alone 10 years • The heroic displaced families who lived in Gush Katif and the Shomron who were uprooted from their homes of over 35 years and who still have not been compensated for their sacrifice and devotion • The Israeli M.I.A.s: Ron Arad, Zachary Baumeil, Tzvi Feldman, Guy Hever, Yehuda Katz, and Gilad Shalit. • Ehud Goldwasser and Eldad Regev - the kidnapped soldiers who were murdered • The more than 3,000 victims of Oslo since September 13, 1993 • The return of our brothers and sisters scattered and lost throughout the world over the past 3,000 years • The brave United States Armed Forces who continue to fight courageously and valiantly against tyranny and terrorism in Afghanistan and Iraq. We have not forgotten you. • The heroic Israel Defense Forces who continually defend the Land of Israel and make us proud.
