Sampling of Shavuot

The Kitchen Kabinette of Young Israel would like to enhance your Shavuot by offering an array of *yom tov* dishes. We are fortunate this year to have a *yom tov* that allows for *milchigs* on Friday and *fleishigs* on Shabbat. Browse through our list and choose your favorites! Each item lists the chef, the type of item, whether it's dairy, meat or pareve and a **minimum** price. You have several options in submitting your order.

1) Fill out the tear sheet below and drop it off at our office no later than Wednesday, May 20th at 2:30 pm, OR
2) E-mail the information to office@yigc.org no later than Wednesday, May 20th at 2:30 pm, OR
3) Fax the information to the office at 382-8722 no later than Wednesday, May 20th at 2:30 pm, OR
4) Call either Shelly Klineman (291-5593) or Deborah Polster (291-9418) no later than Wednesday, May 20th at 9:00 pm

The highest bidder for each item will "win" the item. We will post a list of the numbered items with the names of the highest bidder on the Young Israel website www.yigc.org on Thursday, May 21st. If you do not have access to a computer, you can call either Shelly Klineman (291-5593) or Deborah Polster (291-9418) to find out if your bid was the highest – if you won!

All dishes must be picked up on Wednesday evening, May 27th between 8:00 and 9:00 pm in the atrium of the Young Israel building. Please remember to bring a check or cash with you. Sorry, no pick-ups without payment.
