

Fresh-Cut Flower Fundraiser

Rosh Hashanah & Sukkot

We are pleased to offer beautiful roses and mixed bouquets to brighten up the Holidays.

Stunning roses are handpicked in the fertile valleys of the Andes Mountains Highlands in Ecuador. Gorgeous bouquets are hand-tied in California. All flowers will be shipped from the farms to Young Israel via FedEx, so they'll be fresher and longer-lasting than those you can buy anywhere else...and you'll pay far less than what the average florist charges.

We profit on every sale, so please ask family, friends, co-workers and neighbors to join this unique fundraiser.
